**Pat Bishop: Artwork, Inspirations, Techniques  
and Becoming an Artist**

**Afternoon Workshop: Simply Abstract Landscapes**

Pat Bishop of Shawano is an artist who works with fabric, thread and a sewing machine and often watercolor and acrylic paints. Her artwork is an expression of her view and appreciation of nature. Subjects she gravitates toward are trees, birds and broken-down buildings, but with an abstracted view. Her artwork has been exhibited nationally and internationally and won numerous awards in fine art venues and prestigious fiber art exhibits. She has published articles in Quilting Arts Magazine Winter 2023 and Art Quilting Studio Spring 2024, and recently taped a segment for TheQuiltShow.com. Pat sells her work, teaches, mentors and lectures. See her website or email for more information.

Pat makes art because she has to and loves to create. With her art she feels like she is saving memories. She has been working with cloth since she was a small child and it hasn't lost its luster. Pat's website is [www.patbishop.info](http://www.patbishop.info).

Workshop information is on the following page.

## **12:30-3:30 p.m. Simple Landscape Workshop with Pat Bishop Class Description and Materials List**

We will be composing a simple landscape (sunset, sunrise, ocean, field or undetermined) and talk about what abstract is and how to think abstractly and about the compositional components of a successful design. Expand your creativity with no quilting rules or rulers. It will be simple and fun! We will talk about methods of quilting, and finishing/mounting your piece. Pat's goal is to remove the fear of failure and help you be successful. \$25 fee payable to NSQG prior to the class.

**Kit provided to complete 8"x10" Finished Work** (\$10 kit fee payable to Pat at the workshop)

Facing & Backing fabric 9 x 11

Batting 8 x 10

Wonder Under 8 x 10

1" (approx.) Strips of Fabric in Dark, Medium and Light Values

### **Student Supply List**

Iron and Ironing surface. An iron for every two people to share at their work stations works best. Paper and Pencil for taking notes. Scissors sharp enough to cut fabric, rotary cutter, cutting mat, pins.  
**Don't forget to bring a lunch!**

### **To Finish at Home**

1. sewing machine, needles, manual; straight stitch, walking foot if you have one, but not necessary.

## **Love and Comfort News from Laurie Jacobs**

We continue to provide adult lap quilts to organizations in Milwaukee. In the past month we received Thank you notes from two of them:

**The Benedict Center** provides mental health and substance abuse treatment, supports return of women who were incarcerated, and helps women in the sex trade to live a safer life. Quotes from the thank you letter: "We are so grateful for donors like you who care about women impacted by the criminal justice system. This has helped change the lives of women every day. We appreciate your in-kind donation of a large bag of quilts. The quilts are beautiful and so enjoyed."

**St. Bakhita Worker House** is named in honor of the patron saint of human trafficking and slavery. They provide housing and a supportive community for women who were sex trafficked to enhance their healing. They were given seven adult lap quilts in the last few months. The Executive director emailed us and said the women went on a retreat in October and took the quilts with them. They were greatly appreciated.

**Thanks, NSQG members for your time and effort to create meaningful and helpful quilts!**

Bob Pavlik is looking for a good home for Sonja's wooden quilt rack and a grocery bag of un-carded wool. If you are interested in either item, contact him at [robertpavlik115@gmail.com](mailto:robertpavlik115@gmail.com)

## ***Raffle Quilt 2025 from Evelyn Burdick and Betty Atman***

We plan on making a variation on the Irish Chain called Loyal Heights Irish Chain. It's a very simple block which is just a variation on a 9 patch. Our color theme is medium blue fabrics and white background (white please, not off white). Blocks will be 8 ½ inches in size (8 inches when finished in quilt).

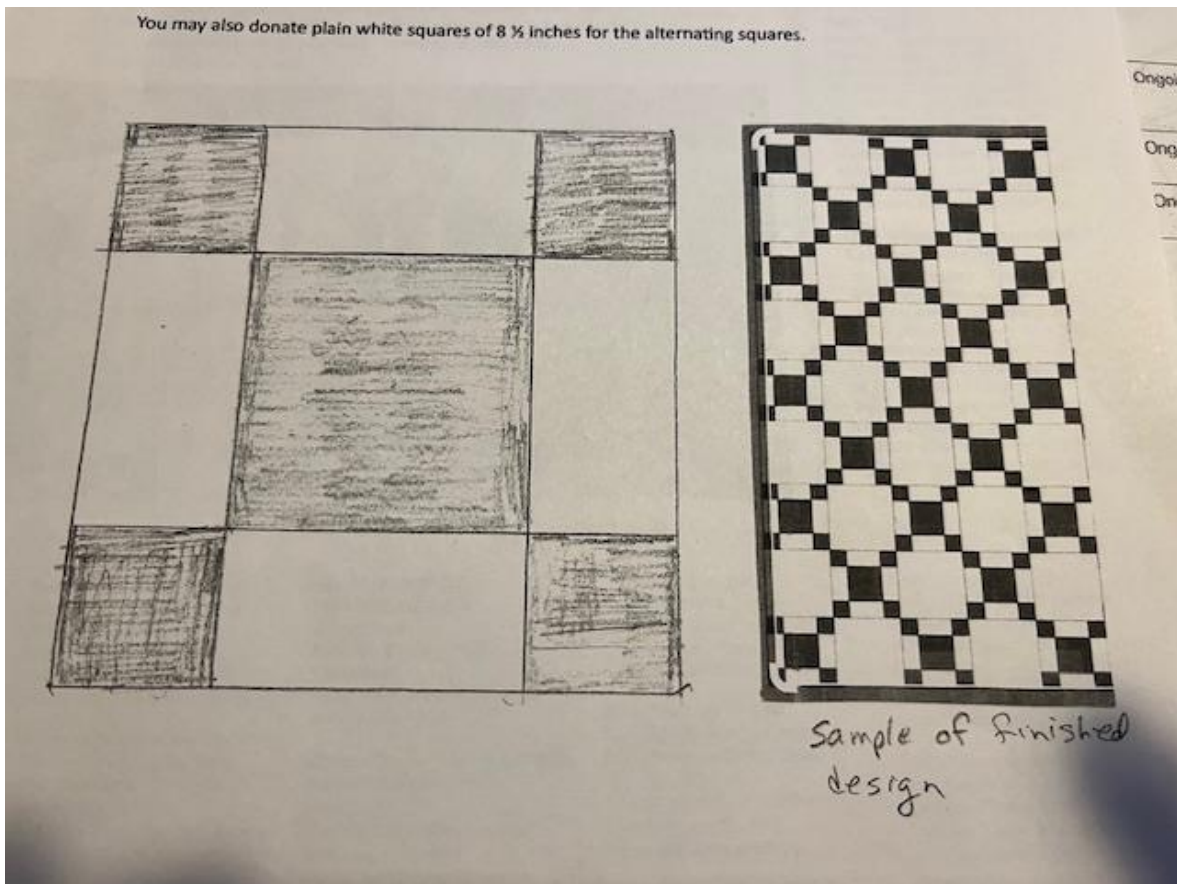

### ***To make one block:***

Blue fabric- cut four 2 ½ inch squares and one 4 ½ inch square

White fabric- cut four 2 ½ by 4 ½ inch rectangles

Large blue square goes in the middle of the 9 patch, 4 smaller blue squares in the corners, white rectangles in middle of sides

You may also donate plain white squares of 8 ½ inches for the alternating squares.

## September Program: Quilt as You Go with Elayne West, the owner of The Sewing Basket in Plymouth, WI.

The shop has a private website that is free and has no advertising: [www.sewingbasket.biz](http://www.sewingbasket.biz). You can also join their Studio Y playground at: [play.sewingbasket.biz](http://play.sewingbasket.biz). Elayne provided printed information detailing the technique and had samples so we could follow the process from beginning to end. All the instructions are available on her site. She mainly uses Pellon fusible fleece 987F or Decor fusible. She also pre washes all her fabric. She ended with a trunk show of beautiful placemats, table runners, wall hangings and some quilts made using the quilt as you go method. Elayne also had a large selection of fabric, books and notions for sale which made for a very busy break.
